

PIERRE GENIN

Dev Tester Specialist - Vehicle

Based in Lyon and Looking for new opportunities

SUMMARY

Video game professional with 3.5 years of experience as a Dev Tester Specialist Vehicle at Ubisoft Ivory Tower. Possesses in-depth knowledge of the production pipeline and development of AAA projects. With a degree in Project Management (Video Game / Game Design specialization), I am motivated to transition into a full Game Design / Level Design role to leverage my technical knowledge and on-the-ground experience for the benefit of team efficiency
